## SZLAK KULINARNY ŚLĄSKIE SMAKI®

The Culinary Route "Silesian Tastes" was established in 2012 as one of the first culinary routes in Poland. A member of the Route may only be a restaurant which has obtained the "Silesian Tastes" certificate confirming the quality of dishes and their regional authenticity. The Route restaurants serve more than 100 dishes of regional cuisine: Silesian, Beskid, Jurassic or Zagłębie. Their traditional taste and the way they are prepared are guaranteed by the „Silesian Tastes” certificate.
